

5 MEGAPIXEL VARIFOCAL DOME CAMERA

MULTI-FORMAT

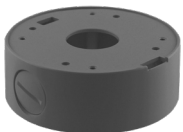

This superbly engineered dome camera comes equipped with 5MP resolution, producing amazingly clear images to give you peace of mind.

The included varifocal feature allows you to set the perfect viewing angle. Think long narrow hallway, side passage, a wide garden, or double driveway. This covers all scenarios.

- 5MP Resolution
- IP66 Weatherproof
- 30m Smart IR Range
- 2.8-12mm Varifocal Lens
- Works with TVI, AHD, CVI & CVBS
